

Best Innovation in Maths Education

ACHIEVEMENTS

* HeyMath! is a curriculum specific e-learning resources in Mathematics that blends conceptual understanding, procedural fluency & problem solving skills

HEYMATH! BY SANKHYAA LEARNING PVT LTD

Rajkiya Pratibha Vikas Vidyalaya

The project was launched with the aim of supporting schools in the teaching and learning of Mathematics. HeyMath! is a digital curriculum

in Mathematics developed since 2000 in formal collaboration with the University of Cambridge, UK and has been widely

implemented Rajkiya Pratibha Vikas Vidyalaya. HeyMath! has been supporting the work of teachers and helping students build a strong foundation in Mathematics.
